12. How often is the data in the Parent Portal updated?

Basic demographic, lunch balance, attendance, and discipline data will be updated daily. Testing data will be updated after standardized tests have been scored and received by the testing department.

For login help, to update demographic information (i.e. address), or if you believe the data is incorrect, please contact your school. If you have technical questions about the Parent Portal, email parentportal@stanlycountyschools.org.
